South African Learner Driver Manual Section 2

The main problem with the SATCC Road and Bridge Specification document, leading to most of the criticism, was the lack of cohesiveness arising from the manner in which it was developed. Rather than try and correct the existing document, which was unlikely to be wholly successful, the preparation of a new document was proposed. The recommended

Manual of traffic signs and markings (MOTSAM) Part 1: traffic signs. Use is mandatory on state highways and recommended on other road controlling authority roads, to ensure consistent traffic signing nationally. Details are given for approved sign legends, sign symbols and sign layouts generally. Guidance is also given on sign size selection and the location/positioning of signs.

satcc manual - Free Textbook PDF

Do not rely on other road users to obey traffic control signals or signs. Some road users may not yield the right-of-way. Be prepared to avoid a crash. After stopping at an intersection, take the extra time to check for crossing traffic and bicyclists before moving. It is recommended that you look left and
