Understanding customs. Customs is a common term in international shipping which refers to the duties, fees or taxes levied on goods transported from one country to another. These costs vary depending on the item and country and are over and above the carrier's cost to ship goods. Every country has its own rules and guidelines for this, but no matter where you're shipping, our online shipping tools can help you anticipate what to expect.

Understanding International Customs and ... - United States

You usually need a customs form to ship overseas, even with APO, FPO, and DPO mail. The form you need depends on the USPS ® mail service you're using and the total value of what you're sending. Use Click-N-Ship ® to print both international postage and custom forms or use the USPS Customs Forms tool to just print forms. Print Postage & Forms

U.S. Customs Forms | USPS

Following the advice of Alexander Hamilton, President George Washington and the First Congress created the US Customs Service just four months after ratifying the United States Constitution, on July 31, 1789. The US Customs Service was created to provide revenue to the new nation through the collection of duties and tariffs on imported goods.

History - National U.S. Customs Museum Foundation

You can bring household goods, furniture and other personal items into the United States without a bond and free of duty and taxes. You won't have to pay duty to CBP when importing these items. It is important to know that when importing household effects, you must have owned the items for at least a year.
